SUMMARY

Full-stack web developer with leadership background aiming to add value as a team member to both client and business-facing processes. Attended UCF's full-stack web development program and acquired newly developed skills in JavaScript, and mobile-first responsive web design. In my previous role I was voted on to the board of directors as Ways and Means chair where communication and collaboration were vital.

TECHNICAL SKILLS

HTML5, CSS3, Bootstrap, Materialize, JavaScript, jQuery, APIs, GitHub, the command line, media queries
